

Little Car's story.

Once upon a time, there was a Little Car. He wasn't very old, but he had been through a lot.

Little Car lived at a garage,
but his wheels were very
flat, his engine was very
thirsty for oil and his tank
had run completely dry.

The Car Inspector came to see Little Car and he said,
'You are a brave Little Car, but
you are not being looked after
properly, you need some extra
care.'

Little Car was taken to a car garage. It was warm and bright inside. It had soft blankets for cars to rest on and the shelves were full of tools. The mechanic was gentle and kind.

She pumped up Little Car's tyres until they were round and bouncy. She filled his petrol tank up. And gave him a polish too!

The Car Inspector came to see Little Car again to tell him he'd found the perfect garage for him.

A garage where he will be taken care of and become a Big Car

Where he will be looked after
every day by his Daddies.

Little Car and his Daddies
will have fun days out.

Little Car's favourite day out is going to the farm. Little Car always has so much fun visiting the farm.

Little Car and his Daddies would always return home after a fun day to their cosy warm home. And he will sleep in his soft bed, with a full tank of petrol and soft bouncy tyres.
